

# ANGELS for CHRIST

MINISTRY HIGHLIGHTS

CHRISTMAS 2009

## Christmas is coming. Calling all troops!

It is the time of year when we prepare for our Christmas Outreaches. This year, more than ever, we need your help. The economy has adversely affected many of us, but to the children in crisis it is critical. They have even less this year. With so little, they appreciate so much! Please do what you can; we don't want to turn any child away this Christmas.

### Kid's look forward to Christmas Outreaches

Hundreds of disadvantaged kids are looking forward to the outreaches that start December

12th at various amusement parks. Children are treated to a feast, toys, gifts, and rides all day. They will also receive warm jackets to get them through the winter. Most importantly, they will be given love and introduced to Jesus.

Please join with us in praying for these children, that we are able to reach the most hurting.

In spite of the economy, we expect the provision to be supplied, because we believe our God is bigger than any obstacle. He will move mountains to bless these children who have nothing, children He loves so very much. He often moves mountains through His people.

## Precious memories

Through all the years we've served our Lord in this ministry, many memories come flooding back. So many we could fill several books. Some are a divine move of God; they are moments only He can make happen. These special moments occur when you see heaven touching earth, as the Holy Spirit appoints and seals the hearts of these little ones for eternity. Matt. 19:14, "Let the little children come to me."

Our alter calls are especially memorable, when we see hundreds of children flood the alter and write their names in our Lamb's book of life. For over 14 years we've had the privilege of watching thousands make a commitment to Christ, after hearing the truth of the gospel of Jesus Christ.

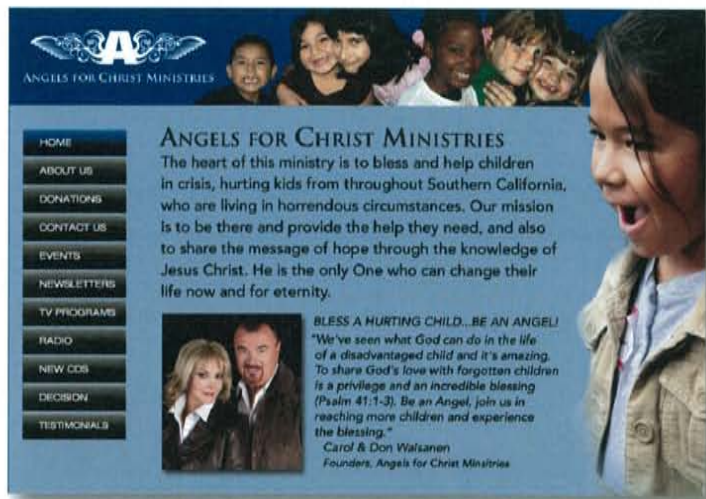

## Touched by an angel

She was deformed in body and a paraplegic. We called her our 'dying angel.' She lived permanently in a motel room and homeless shelters with several siblings and a single mother. Her body was dying and in need of so much care, but she had such a sweet spirit. Perhaps, now she is in heaven. She so wanted to make a commitment to Jesus. We lifted her limp, frail body, and literally carried her to the Alter; there she signed our Lamb's book of life, as she gave her heart to Christ. Amazingly, we sensed the presence of angels around us. Matt. 18:10

## New web site

It has been several years since we've updated the Angels for Christ website. For the past few months, we've been working on creating a new design and format to bring the website up to date, that work is now almost completed. ## New CD from Don Waisanen

You may be thinking, I didn't even know that Don was a singer. Although it has been many years since he has been in the recording studio, he spent his early years touring as a professional singer, and was a recording artist for Impact Records.

The selection of songs on *Change Me Now* is truly anointed. We invite you to go on our website and listen. This CD was produced to be a blessing to the body of Christ and is intended to bring people into the presence of the Lord. All proceeds from this CD go directly to Angels for Christ to help further our ministry to children.
